SUMMARY

Informatics Engineering student with a strong interest in Data Science, Data Analytics, Artificial Intelligence, Machine Learning, Web Development, and Cybersecurity. Experienced in academic, technical, and organizational projects involving data analysis, software development, problem solving, and team collaboration. Enthusiastic about building practical technology solutions, exploring emerging technologies, and continuously developing technical and analytical skills through hands-on projects.

EXPERIENCE

ORGANIZATIONAL EXPERIENCE 06/2025 - Present

HIMTI UIN Syarif Hidayatullah Jakarta

Head — External Department

August 2026- Present

- Strategic Leadership: Led the External Relations Department as the primary representative of HIMTI in fostering external partnerships and public relations.
- Community & Social Impact: Oversaw and executed outreach initiatives designed to apply technology and computer science for broader societal benefits.
- Partnership & Collaboration: Built and maintained relationships with external institutions, organizations, and the general public to drive collaborative opportunities.

Staff — Social Affairs Division, External Department

Jun 2025 – July 2026

- Supported social and community-oriented programs organized by HIMTI.
- Collaborated with team members to coordinate program activities and organizational initiatives.
- Assisted in communication and coordination with internal and external stakeholders.

Committee Chair — HIMPED X MELATI 26

Feb 2026

- Coordinated committee members throughout the planning and execution of the program.
- Organized task distribution, preparation, and event implementation.
- Coordinated with multiple divisions to ensure effective event execution.

HIMTI UIN Jakarta

Logistics Division Coordinator — DEV-UP HIMTI 25

Oct 2025

- Coordinated logistics planning and preparation for the event.
- Managed equipment requirements, inventory, and logistical needs.
- Collaborated with other divisions to ensure operational readiness.

HIMTI UIN Jakarta

Equipment Division Coordinator — IOT 25

Oct 2025 – Nov 2025

- Coordinated equipment preparation and distribution during the event.
- Managed equipment requirements and ensured availability throughout the program.
- Worked with team members to address operational requirements.

HIMTI UIN Jakarta

Event Staff — Binary 25 & Studi Banding 25

Dec 2025

- Supported event preparation and execution as part of the event division.
- Collaborated with committee members to ensure activities ran according to plan.

Head — Scientific Writing Extracurricular Program 08/2022 - 07/2023

SMAN 1 Bojonggede

Aug 2022 – Jul 2023

- Led the scientific writing extracurricular program and coordinated student activities.
- Organized learning activities and collaborative writing projects.
- Guided members in developing scientific writing skills.

Data Science

Projects

Student Performance Analysis

Python · Pandas · NumPy · Matplotlib · Seaborn · Scikit-learn

- Performed exploratory data analysis to identify factors associated with student academic performance.
- Conducted data cleaning, preprocessing, and feature analysis.
- Created visualizations to communicate patterns and relationships within the dataset.
- Developed analytical insights based on the results.

Github: https://github.com/rzkydstyn/student-performance-analysis

NVIDIA Stock Price Analysis

Python · Pandas · NumPy · Matplotlib · Scikit-learn

- Analyzed NVIDIA historical stock data to identify trends and market patterns.
- Performed data cleaning, exploratory data analysis, and feature engineering.
- Developed a machine learning model to predict closing prices.
- Evaluated model performance using appropriate regression metrics.

EDUCATION

Informatics Engineering 2024 - Present

UIN Syarif Hidayatullah Jakarta - Bachelor of Informatics Engineering

Relevant Coursework:

- Data Structures & Algorithms
- Database Systems
- Discrete Mathematics
- Calculus
- Digital Systems
- Computer Organization and Architecture.
- Data Analysis / Statistics
- Web Development
- Cyber Security

Sience 2021 - 2024

SMAN 1 Bojonggede - High School

SKILLS

Tools

Oracle Apex	Basic	VS Code	Intermediate
Figma	Basic	GitHub	Advanced

Web Development

Javascript	Basic	HTML	Intermediate
CSS	Intermediate		

Database

PostgreSQL	Basic	MySQL	Basic

Data Science & Analytics:

Data Cleaning	Intermediate	Matplotlib	Basic
Exploratory Data Analysis	Intermediate	NumPy	Basic
Feature Engineering	Basic	Pandas	Intermediate

Programming

SQL	Basic	Java	Basic
HTML, CSS	Advanced	Python	Intermediate

AI

Gemini	Advanced	Perplexity	Basic
ChatGPT	Advanced	Claude	Basic

LANGUAGES

English	Basic	Indonesia	Intermediate
